Questions About Your Account

For information about your account or other customer service inquiries, please call our Customer Service Department at 1-888-331-6133.

Your Payment

You can make payments on your account by mail, at any Walmart store in Canada, or through the telephone, online, ABM or teller services of another financial institution that accepts Walmart Rewards Mastercard payments. You may also make payments by pre-authorized debit from your chequing or savings account at a Canadian financial institution. If you wish to make your payments by pre-authorized debit, please contact us at **1-888-331-6133** or download and complete our pre-authorized debit form at **walmartrewards.ca**.

If you make a payment by mail or through another financial institution, it can take several days for your payment to reach us. We will only credit payments to your account after we have received and processed them. Payments do not immediately adjust your available credit. This generally occurs within one to three business days following our receipt and clearing of your payment. If paying by mail, please make your cheque or money order **payable to Walmart Rewards Mastercard and mail to Walmart Rewards Mastercard, P.O. Box 187, Orangeville, ON L9W 2Z6**.

Regardless of the type of payment method you choose, it is your responsibility to ensure that we receive your payment in time to credit your account by the payment due date. To help us process your mail payment quickly, please include the return portion of your statement with your cheque payable to Walmart Rewards Mastercard.

Interest and Grace Period

Interest accrues on purchases from and including the date of each purchase and on fees from and including the date of the transaction. However, if we receive payment in full of your total new balance shown on this statement by the payment due date shown on this statement, you will not be charged interest on the new purchases, fees and interest shown on this statement. This interest free grace period does not apply to cash advances (including balance transfers, cash-like transactions and transactions using convenience cheques that we may issue to you) nor their associated fees, and interest accrues on cash advances from the date of the transaction.
